On the front page

Why Banks? The story behind our name, honoring Susie Bell Banks (Henderson) and Janie Lou Reed, who connect us all.

In Loving Memory. Add the loved ones we've lost with a photo and a few words. Their names will be part of everything we do.

For Saturday's meeting

- Who would be willing to serve as **treasurer**?
- Which **cities and summer weekends** should go up for a vote?
- Who wants to **lead a committee**? Finance, Venue, Food, Communications, Activities, Shirts, Family History.
- Who can help **elders without email** get signed up once we share the site with everyone?

Tip: look around first, then join and share your ideas.
